

MeetUps

PMI San Francisco Bay Area Chapter

There are project managers from a broad section of industries that meet to share best practices, horror stories, and all that comes with managing people, deadlines, and budgets. We meet monthly to meet new friends, connect with colleagues, and to share our experiences.

I met with Susanne Madsen and learned more about how the PM is meeting deadlines, how to resolve conflicts and how to manage failed projects and how to overcome them.

SF JIRA Project Management

Met with Kamal M Program manager of SF startup, Discussed more about the Jira workflows, some whiteboard sessions , how to work with Jira and scrum.

Understanding of

1. Standups
2. Sprint Planning
3. Product Backlog Grooming
4. Sprint Retrospective.
5. And many more scum terminologies

Product Management Night @Facebook

Met with Brittany Mecky , a product manager of Facebook, Discussed more on idea to launch a product and key pitfalls to avoid, it was more of an interaction session where I have learned more about the product

East Bay Digital Product Management meetup - online planning meeting

Met with the organizer, Luke Mark and discussed a venn diagram of where a project manager role will fall under a dev, QA and product/business Also helps me to understand

1. Mentoring
2. Conflict resolution
3. Tutoring/Guiding
4. Conducting 1:1s
5. Team Building activities

Bay Area Agile Leadership Network

Met with David Coop , the organizer of this meet, learned about how fast to act on a team , public speaking, art of leadership, providing constructive feedback, enrich slack communication
